

Can't Stop Me Now - Widebeam

£125,000

Located at Tattenhall Marina

4 Berths

Length 60ft

2013

Description

Can't Stop Me Now is an impressive 60ft x 10ft Aqualine widebeam, offering an excellent combination of space, comfort and quality craftsmanship. Built by Aqualine Marine Ltd in 2013, this beautifully appointed boat provides spacious accommodation for up to four people, making it ideal for extended cruising, weekend escapes or enjoying life on the waterways at a more leisurely pace. With its 10ft beam, Can't Stop Me Now offers generous interior space while being narrower than many comparable 12ft widebeams, potentially allowing access to a wider range of cruising routes, subject to individual waterway restrictions. The current owner has owned the boat for the past 12 months, following a change in circumstances, while the previous owners purchased her as an ex-demonstrator just over ten years ago and maintained her to a high standard throughout their ownership. Further reassurance comes from a recent full survey and a long Boat Safety Scheme (BSS) certificate. Entering from the pram-covered stern, you are welcomed into a well-equipped galley finished with extensive granite worktops, an integral stainless-steel sink and a drinking water filtration system. A generous selection of cupboards and drawers, along with a dedicated wine rack, provides excellent storage. Cooking facilities include a four-burner gas hob, full-size oven and separate grill, complemented by a full-size fridge and freezer, making this a practical space for preparing meals on board. Moving forward, the granite breakfast bar creates an attractive and sociable dining area, complete with two height-adjustable stools. This leads into the spacious saloon,

where a comfortable three-seater sofa provides a relaxing place to unwind and conveniently converts into a double guest bed. A Morso Squirrel solid-fuel stove adds warmth and character, while a smart TV housed in its own media unit, alongside a selection of display shelving and cupboards, completes this inviting living space. The bathroom is generously proportioned and thoughtfully equipped, featuring a full-size quadrant shower with two glazed sliding doors, a ceramic corner washbasin set on a granite countertop and a ceramic pump-out toilet. A full-size washing machine and an extensive range of storage cupboards add further practicality, making longer stays aboard particularly convenient. At the bow, the spacious bedroom offers a king-size bed alongside an excellent selection of wardrobes, cupboards and drawers, ensuring plenty of room for...
