Lakeland 57 - Narrowboat

£165,500

Located at Tattenhall Marina **4 Berths**

Length 57ft **2026**

Description

Introducing the Lakeland 57, the first model in the exciting new Lakeland range of narrowboats and widebeams. Designed to offer exceptional quality, modern comfort and outstanding value, this beautifully crafted 57ft cruiser stern narrowboat is perfect for those looking to enjoy life on the waterways without compromising on luxury. Built by the renowned Aintree Boats and professionally fitted out by New Concept Boats, the Lakeland 57 combines quality craftsmanship with a high specification throughout, making it ideal as both a stylish holiday cruiser and a comfortable liveaboard. Stepping aboard, the spacious cruiser stern provides a welcoming and sociable space for cruising or relaxing with family and friends. Comfortable wrap-around upholstered seating offers plenty of room to unwind, while storage lockers beneath keep outdoor equipment and cruising essentials neatly tucked away. A full pram cover with contrast piping provides protection from the elements, allowing the space to be enjoyed throughout the year. The stern also features a Morse control, Barrus Shire deluxe instrument panel, Vetus bow thruster controls, and easy access to the engine compartment and weed hatch. The popular reverse layout has been carefully designed to make the most of the available space, creating a bright and open interior. Thermal break double-glazed windows and fully glazed side hatches in both the galley and dinette allow plenty of natural light to flood the cabin, while spray foam insulation ensures the boat remains

comfortable in every season. Entering the galley from the stern, you'll find a beautifully designed kitchen finished with elegant quartz worktops and equipped with everything needed for life afloat. It includes an integrated Thetford oven with separate grill, three-burner gas hob, Butler sink with mixer tap, full-size washer-dryer, integrated 70/30 12-volt fridge freezer and built-in coffee machine. A pull-out larder, wine rack, generous cupboards and deep drawers provide excellent storage, making the space as practical as it is stylish. The L-shaped dinette offers a comfortable place to dine, work or relax while enjoying the views. When additional sleeping space is required, it easily converts into a double bed, allowing the boat to accommodate up to four people. Storage beneath the seating provides additional space for bedding and everyday essentials. The saloon is warm, inviting and designed for comfort. A 4.5kW Eco Design DEFRA-approved multi-fuel stove si…
