chrome mixer taps and a freestanding gas cooker with four-burner hob, oven and grill. A full-size 12v Inlander fridge, wine rack, glazed storage cabinets and rooflight add practicality and character.

The central dinette provides a versatile space for dining and entertaining, with an L-shaped seating area converting into a double berth. Double-glazed windows and a side hatch allow plenty of natural light into the space, while storage beneath the seating keeps everything neatly tucked away.

Further forward, the welcoming saloon offers shelving, a multi-fuel stove and side hatch, creating a cosy space to relax after a day cruising the waterways. Large windows throughout the boat help create a light and inviting interior while retaining its traditional character.

Powered by a Russell Newbury DM3 engine with Parsons gearbox, Time No 1 offers a classic boating experience with plenty of character and practical accommodation.
